COVID-19 Update for Private Yachts on TIEs

New Zealand's COVID-19 response specifies public health and social measures to be taken against COVID-19. This has restricted the movement of private foreign vessels currently in New Zealand on a Temporary Import Entry (TIE). Due to these restrictions we understand that these craft may not be able to meet their agreed date of departure.

The New Zealand Customs Service has made a decision to provide an extension to those TIEs affected.

If the TIE for your private yacht/vessel is due to expire, an extension has been given until July 1st 2021.

July 1st 2021 will be the final date for export for any vessels affected by the COVID 19 response. Any extensions beyond this date will be considered on a case-by-case basis.

If you have questions or require further clarification please email service.delivery@customs.govt.nz
